AMERICAN LEGION RIDERS POST 113 ROMP

MAMMOTH CAVE

Rolling hills, deep river valleys, and the world's longest known cave system. Mammoth Cave National Park is home to thousands of years of human history and a rich diversity of plant and animal life, earning it the title of UNESCO World Heritage Site and International Biosphere Region.

GREEN RIVER FERRY

A SHORT BUT FUN RIDE ACROSS THE GREEN RIVER

The Green River Ferry was first developed in 1934 and is the last remaining active river ferry in the park. The ferry shuttles vehicles, hikers and bikers across the Green River 364 days a year. This area is also a popular location for visitors to launch their boats, canoes and kayaks for a day out on the water.
